

ENVIRONMENTAL POLICY

Candid Oil Services Limited recognises that our business activities interact with the environment in a variety of ways. These activities have significant actual and potential impacts in the key areas of:

- Potential emissions to land, air and water of harmful substances during delivery of our services to clients
- Use of limited natural resources in transportation of our Manpower and Logistics
- Use of limited natural resources, such as paper based consumables.

We recognise that we have a responsibility to help protect the environment wherever we have an opportunity to do so; be a responsible neighbour and to provide a comfortable environment for our employees to work in.

As such, Candid Oil Services Limited is committed to:

- Continual improvement in managing the environmental impact of its business activities
- Improving the environmental benefits provided by its products and services
- Preventing pollution
- Complying with all relevant legal, customer, and other third party requirements
- Adopting best practices applicable to its activities wherever practicable

We will achieve these commitments by:

- The implementation and maintenance of an Environmental Management System that is independently certified as compliant with ISO 14001:2015.
- Employing processes that identify the aspects of the Company's operations that have an environmental impact, and quantifying the significance of each aspect
- Maintaining an environmental performance improvement programme to enable the objectives to be achieved
- Ensuring that its employees, external providers and customers are aware of their role in supporting the Candid Oil Services Limited's commitments and environmental objectives
- Training its employees in good environmental protection practices and encouraging employee involvement in environmental improvement initiatives
- Minimising the need for travel through alternative communication methods, and to seek the most environmentally efficient mode of travel where travel is unavoidable
- Continually monitoring the environmental impact of its business activities

The implementation of this Environmental Policy is fundamental to the success of the Candid Oil Services Limited's business and must be supported by all employees as an integral part of their daily work. This Policy is publicly available to interested external parties.
